EXPERIENCE

MYLAN LABS | SPECIALIST, COMMERCIAL ANALYTICS

Sept. 2015 - Present | Morgantown, WV

- Act as an internal consultant, using statistical models and machine learning algorithms to analyze Mylan's products, customers, and competitors using R and other statistical packages.
- Design presentations summarizing Mylan's major product markets, including product and competitor performance, for senior leadership.
- Modernize reporting and presentation workflows using Tableau and Shiny to create streamlined, interactive dashboards.

CALIFORNIA UNIVERSITY OF PENNSYLVANIA | LECTURER

Jan. 2016 - Present | California, PA

- Use real world experience as a data scientist to introduce students from the business college to the concepts they'll need to work in a modern, data-driven business environment.

WEST VIRGINIA UNIVERSITY | GRADUATE TEACHING ASSISTANT

Aug. 2013 - Aug. 2015 | Department of Statistics | Morgantown, WV

- Taught and designed coursework for laboratory and lecture sections of undergraduate Statistics courses.
- Worked with the director of the Master's of Data Science program to design online coursework.

WEST VIRGINIA UNIVERSITY | GRADUATE RESEARCH ASSISTANT

May 2014 - Sept. 2014 | West Virginia Dialect Project | Morgantown, WV

- Consulted with linguists on evaluating and creating analysis workflows.
- Built and evaluated Linear and Generalized Linear Mixed Effects models used in the investigation of sociolinguistic trends.

CALIFORNIA UNIVERSITY OF PENNSYLVANIA

UNDERGRADUATE RESEARCH ASSISTANT

Sept. 2010 - May 2013 | The Lexomics Project | California, PA & Norton, MA

- Used statistical models and machine learning algorithms to analyze works of literature for stylistic variation and analyze the features that are most indicative of clustering behavior.
- Presented at several conferences and co-authored a paper explaining our methodology and results.

CONSULTING

SELLITTI, NOGAY & MCCUNE, PLLC

June 2015 | Weirton, WV

- Analyzed a survey conducted by the court to determine if local news stories had biased potential jurors against the defendant in a murder case.
- Wrote a report used as evidence in a hearing to determine if outside jurors needed to be used.

AWARDS AND GRANTS

2014 Outstanding Graduate Teaching Assistant Award (WVU)

2012 Second Place - Student Scholarship and Creativity Day (CalU)

2011 Jesse B. Guttman Student Research Grant
